

Access a Self-Guided Tour of the e-DECA Assessment and Planning System

The e-DECA system allows early childhood professionals and families to screen, assess and promote protective factors associated with resilience and healthy social and emotional development of Infants, Toddlers and Preschoolers. The comprehensive assessment and planning system supports professionals and families in building children's initiative, creating strong attachments, developing self-regulation skills and reducing problematic behaviors using strategies from the DECA Program. The system can be used to evaluate the impact of the DECA Program and ensure that children have the strengths they need to reach their highest potential. **Strategies are available for Infants, Toddlers and Preschoolers!**

Self-Guided Tour: Go to <https://e-deca2.org>. Then submit these login credentials – Username is e-DECA and password is **Testing1!**

IMPORTANT: If you would like to try entering a rating yourself or use the data within the system, it is essential that you use the "Sandbox Site" and the "Sandbox Group." Failing to do so could make it impossible for others to test out the system.

HOW TO Access a Single Rating Report

1. Go to *View Ratings/Reports* → *By Child*

2. For *Site*, be sure to select "DCRC." Then you may select whichever child you wish to view, OR you can just copy the selections shown below:

3. Once you select a child, choose "Select a Report" and from the *Assessment* dropdown menu, select the appropriate Assessment Type. For our selection shown above, we need to select the *DECA-P2*.

4. The next dropdown menu is where you will need to select "Single Rating." Once you do that, another dropdown menu will appear, and you can select whichever rating you want to view.

5. Once you hit "Submit," another window should open with your Single Rating Report! If another window does not open, please be sure to check your pop-up blocker settings for your browser.
