

Eco Snails

Kick off the season of outdoor fun and art adventures with this creative outdoor art experience. Children will enjoy using their imaginations to bring these shelled creatures to life. The colorful, upcycled, whimsical eco snails are sure to be a summertime favorite!

Required Materials:

- Recycled Egg Carton
- Kwik Stix (Item #145407)
- Air Dry Clay (Item #88609)
- Wiggly Eyes (Item #47372)

1. Cut

Cut out one section of a recycled styrofoam egg carton.

2. Decorate

Have children use Kwik Stix to decorate the snails shell in whatever colors, patterns, or design they choose.

3. Craft

Give children a portion of air dry clay to roll, form, and shape into the body of the snail.

4. Assemble

Ask children to place two wiggly eyes on the snail. Lastly, place the decorated shell on the snail's body and allow children to delight in their creation!
