

# Ice Cream Sensory Bin Activity

I scream, you scream, we all scream for ice cream sensory fun! Scoop after scoop, everyone will enjoy making these imaginative and fun ice cream treats! Children can exercise their fine motor skills along with the addition of sensory play while making a cone for themselves, a friend, or at a pretend ice cream shop.

## Required Materials

- Fun 2 Play System
- Waffle Cones
- Kidfetti (Item #18148)
- Pom Poms (Item #88909)
- Handy Scoops (Item #30669)

### 1. Prepare

Place the Kidfetti, Pom Poms, Handy Scoops, and waffle cones in the Fun 2 Play sensory bin.

### 2. Scoop

Invite Children to use a ice cream and carefully place it in their waffle cone.

### 3. Toppings

Children can add to the fun by placing a small, red, pretend cherry on top or pretend sprinkles can also be added to complete the treat.

### 4. Enjoy

Children can set up a pretend ice cream shop to add a dramatic play element and extend the enjoyment or simply enjoy the creations they made.
